

Fresh Cherries around the World

Express services, 24/7 support from our sales force, modern reefer fleet: At Hapag-Lloyd we make sure your cherries arrive fresh at their destination. Cherries are a sensitive valuable commodity with a short season and require a high level of expertise to transport. Providing you with best-class service is therefore our top priority. We know that equipment quality is vital. However, it is also the “human touch” that we believe sets us apart. That is why we rise to the challenge of safeguarding the quality of your cherries and can ensure that your cargo is kept in its optimal condition, no matter where or when.

Our Offer

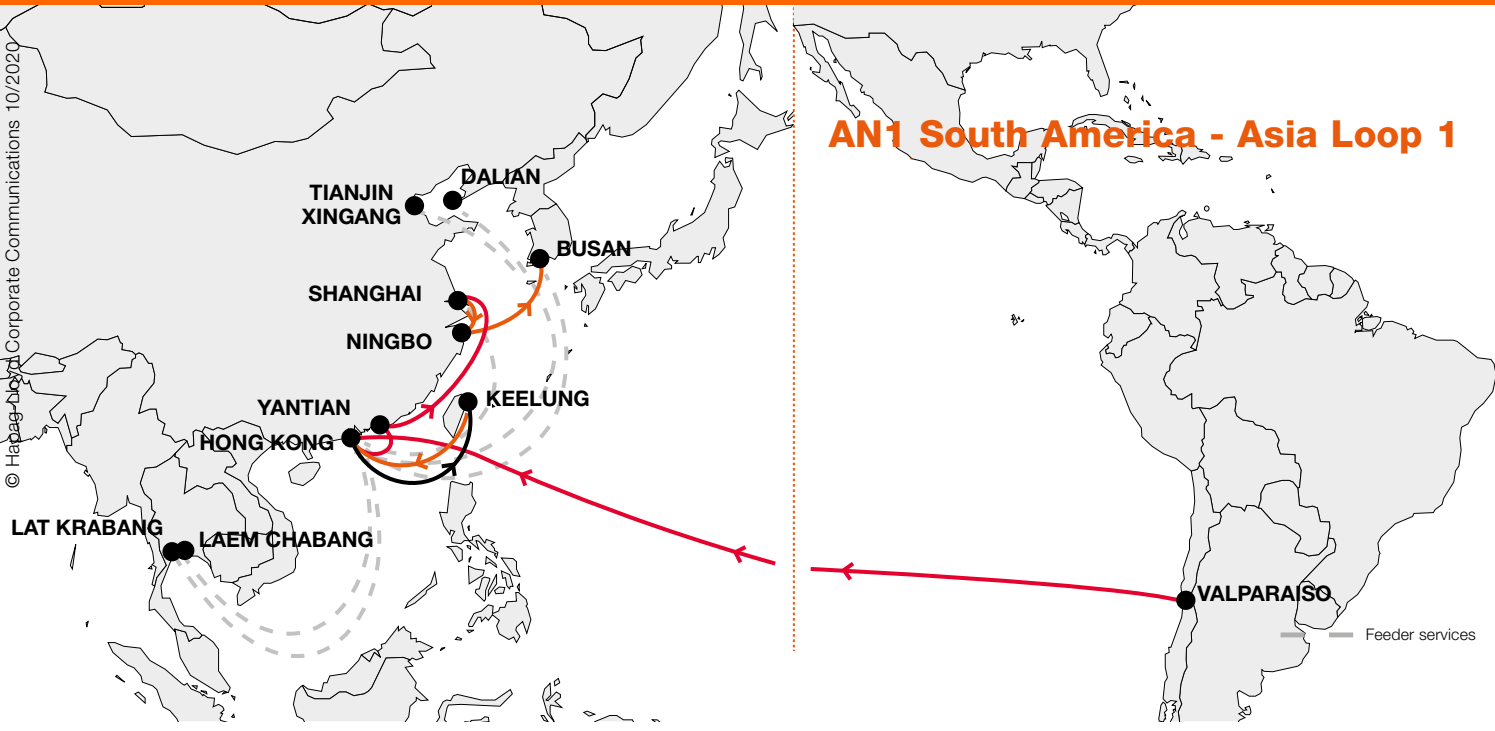

- **One of the largest reefer carriers on the market**
- A global reefer carrier with more than **100,000 reefer containers**
- A **young container fleet** and **continuous investments** in reefer equipment and technology over the last years
- Fleet increased with around **11, 875 refrigerated containers**
- We can cater to your cherry business with most of our fleet
- Strong focus on **reefer fleet steering** to ensure our equipment is where and when you need it
- Hapag-Lloyd's **Cherry Express** is the most extensive **special service** on the market during the **cherry season**
- A reliable quality carrier for reefer transportation with a **global network of reefer experts** available to support you
