

AN1 Asia Express Service For Your Fresh Fruits

Express services, 24/7 support from our sales force, modern reefer fleet: At Hapag-Lloyd we make sure your fruits arrive fresh at their destination. Providing you with best-class service is our top priority. We know that equipment quality is vital. However, it is also the “human touch” that we believe sets us apart. That is why we rise to the challenge of safeguarding the quality of your fresh fruits and can ensure that your cargo is kept in its optimal condition, no matter where or when.

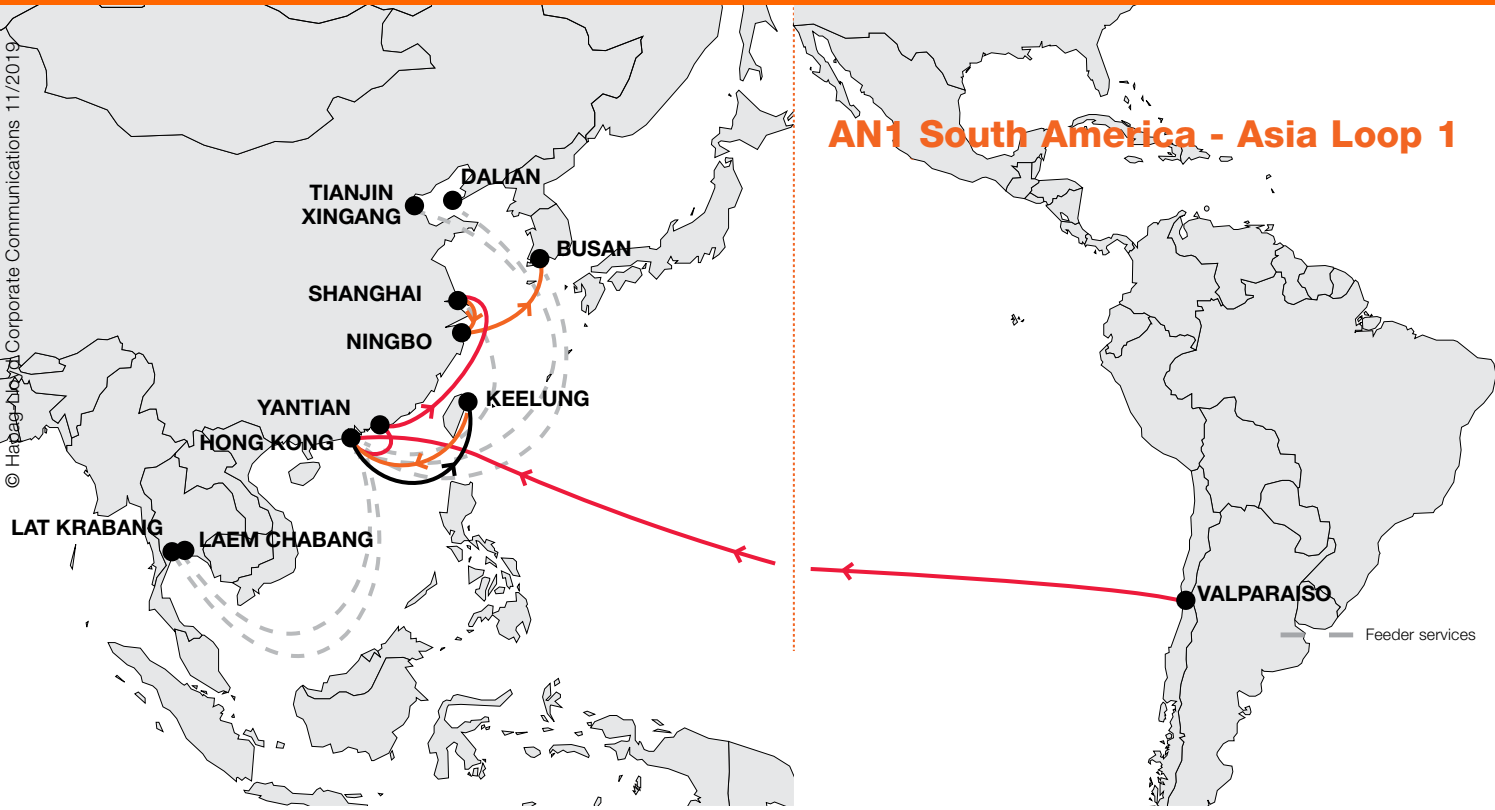

Our Offer

- **One of the largest reefer carriers on the market**
- A global reefer carrier with more than **100,000 reefer containers**
- A **young container fleet** and **continuous investments** in reefer equipment and technology over the last years
- In 2019 we increased our fleet with around 13,400 refrigerated containers
- Strong focus on **reefer fleet steering** to ensure our equipment is where and when you need it
- A reliable quality carrier for reefer transportation with a **global network of reefer experts** available to support you

Your Benefit

- The **seasonal Express Service** connects Valparaiso and Hong Kong fast, in only 22 days
- Reliable connection to **Shanghai in 27 days** and to **Busan in 30 days** via Hong Kong
- A comprehensive network of feeders ensures flexible and express delivery of your cargo to other destinations in Asia via Hong Kong
- Your perishable cargo is in good hands with Hapag-Lloyd's experienced staff at origin and destination
- Our reefer team is **available 24/7** for all queries during the Fresh Fruit Season under **+56 9 9534 5369**
